Reference to the letter No. 05-48/A&C(Affairs)/2016/HEC/7151 dated July 01, 2016 of **Rabia Firdous** Assistant Director (A&C) Higher Education Commission H-9, Islamabad, Pakistan; regarding the letter No. UOS/Admin/2615 dated June 28, 2016, an application No.: 391/Pharm/22 dated March 24, 2022 filed in the office of the **Chaudhry Muhammad Sarwar**, Governor of the Punjab, Upper Mall, Lahore, Pakistan. The Dean Pharmacy, University of Sargodha has committed irregularities; misuse his office power and authorities to obtain the monetary benefit. Therefore above application resubmit with aforesaid allegations one more time. The post-graduate scholars/ researchers are assigned illegally, unethically and unfairly assigned through Ch. Farooq Ahmed, Assistant registrar (Acad), vial office letter No. UOA/Acad/464 Dated April 4, 2013. Prof. Dr. Sajid Bashir Dean/ Chainman has taken the whole class (15 students) of M.Phil Pharmaceutics session 2011-13. This is violation of HEC designed guidelines regarding the supervision of maximum M.Phil/ Ph.D scholars. That also hurt the research quality in academic teaching institutions. Therefore, a prompt action is requested to stop this illegal, unethical and non-professional practice. A legal action is strongly encouraged against the corrupt Dean of Pharmacy, University of Sargodha, Pakistan.

A copy of this case is also tried to provide to different public/ government departments and private institutions in Pakistan.
